

MONTH DAY, YEAR

| Welcome to WeShare®, healthcare by UHSM

Dear Member First Name,

We are grateful for the opportunity to have you as part of our caring community of WeShare Members. Our Members are committed to living healthy, happy lives and we are committed to empowering their wellness and lifestyle goals. Our program, partnerships and perks are designed to add value and support every aspect of your health – mind, body and spirit.

Please find your Member ID cards enclosed to use when receiving medical care or filling prescriptions. Kindly take a moment to review your details for accuracy. When presenting your Member ID card to a provider, please name the PPO Network as MultiPlan.

With WeShare, you have access to some of the best healthcare program features available.

Two Great Networks

- Access the largest network of any sharing ministry: the PHCS® PPO Network, with 1,200,000+ doctors, hospitals and specialty providers.
- For prescriptions, our partnership with CVS Caremark™ provides convenient access to over 68,000 pharmacy locations including Costco, Kroger, Walmart and more.

Flexible Care

- CVS MinuteClinic® provides convenient quality care for minor ailments at 40% less than the cost of urgent care. Members pay a low \$10 per visit for on-demand care at more than 1,100 locations nationwide.
- Access virtual care anytime, anywhere through Amwell telemedicine. Amwell's board-certified providers can help with a range of common conditions including coughs, cold, flu, and other minor injuries or illnesses. You will receive an email from Amwell to complete your enrollment and begin accessing virtual care.

A Better You

- We've teamed up with BetterHelp® – one of the leading online therapy providers offering tailored therapy for individuals, couples and adolescents. Members can receive up to 10 counseling sessions per calendar year at no additional cost through BetterHelp or, if in-person therapy is your preference, you'll find a wide array of therapy providers through the PHCS network (subject to a \$75 consultation fee).

Wellness Perks Included with Membership

- Dental and vision discount membership programs offered through Careington and Superior Vision are available at no additional cost to you.
- Members of the WeShare community have access to exclusive wellness perks valued at \$1,000. Please refer to the membership perks brochure included in your welcome materials for additional information.

Our Member Services team is committed to ensuring a worry-free experience for Members and are always ready to help answer questions, check status updates, or help you navigate your healthcare journey, Monday through Friday from 10a.m. – 8p.m. ET.
