

Welcome to WeShare®, Healthcare by UHSM

Dear Member,

We are grateful for the opportunity to have you as part of our caring community of WeShare Members. Our Members are committed to living healthy, happy lives and we are committed to empowering their wellness and lifestyle goals. Our programs, partnerships, and perks are designed to add value and support every aspect of your health – mind, body, and spirit.

Please find your Member ID cards enclosed to use when receiving medical care or filling prescriptions. Kindly take a moment to review your details for accuracy. When presenting your Member ID card to a provider, please name the PPO Network through MultiPlan.

With WeShare Access, you have access to some of the best healthcare program features available.

Flexible Care

- Virtual Primary Care: Establish a relationship with a dedicated Primary Care Provider (PCP) for all your primary care needs (e.g.: manage all aspects of your health or focus on specific conditions, like hypertension, coughs, colds, obesity, diabetes or depression). Get annual wellness visits, prescription refills, referrals, labs, and more with a \$0 consult fee.
- If you need care after hours or for immediate concerns like cold symptoms, infections, or minor injuries, Amwell's 24/7 Urgent Care is available to you, at no cost.
- When you need specialty care, Amwell can support with dermatology, nutrition, and lactation support. We've partnered with BetterHelp and Amwell to provide personalized online therapy. Members get up to 10 free counseling sessions per year through BetterHelp or 10 counseling and 4 psychiatry sessions via Amwell telemedicine.
- In instances where you need the added support of in-person care, CVS MinuteClinic provides convenient quality care for minor ailments at 40% less than the cost of urgent care. Members pay a low \$20 per visit for on demand care at more than 1,100 locations nationwide. CVS MinuteClinic also supports in-person annual wellness visits at no cost to you if you and your Virtual Primary Care Physician decide you need an in-person visit.

Expanded Support When You Need It Most

When life happens and you need care beyond virtual visits or MinuteClinic services, your WeShare Access membership includes additional support through trusted national networks.

- For urgent care and hospital needs, including accidental injuries, emergency room visits, and inpatient stays, you have access to a broad network of urgent care providers through the PCHS PPO Network and preferred facilities through MultiPlan.
- For prescriptions, our partnership with CVS Caremark provides convenient access to over 68,000 pharmacies nationwide, including CVS, Costco, Kroger, Walmart, and more.

Wellness Perks Included with Membership

- Dental, vision, and hearing discounts programs are available at no additional cost.
- As a WeShare Member, you also have access to Optum Perks—a free prescription discount program that can help you save on medications and more.
- Members of the WeShare community have access to exclusive wellness perks valued at \$1,000. Please refer to the membership perks brochure included in your welcome materials for additional information.

The WeShare app is your one-stop-shop for everything you need as a WeShare Member. Download and create your account for your digital Member ID card, a provider search tool, and many more features.
